

# Incoming Graduate Student Welcome Charrette

Join your fellow incoming graduate students from Architecture, Planning, Preservation, and Real Estate for an introduction to the interdisciplinary ethos of MAPP+D. You will hear from our Dean and Program Directors about their vision and collaborate with your fellow incoming classmates on a focused charrette diving into the built environment on campus. Following the charrette, you are invited to a reception to continue the interdisciplinarity with students, faculty, staff, and alumni.

**Friday, August 26th**

**2pm - 5pm**

**Architecture Building**
